Dear Student,

We would like to congratulate you on being selected for the **Full Stack Web Development** Internship position with **Varcons Technologies**, effective Start Date **19th March, 2023**, All of us are excited about this opportunity provided to you!

This internship is viewed as being an educational opportunity for you, rather than a part-time job. As such, your internship will include training/orientation and focus primarily on learning and developing new skills and gaining a deeper understanding of concepts of **Full Stack Web Development** through hands-on application of the knowledge you learn while you train with the senior developers. You will be bound to follow the rules and regulations of the company during your internship duration.

Again, congratulations and we look forward to working with you!

Sincerely,

Spoorthi H C

Director

CERTIFICATE OF INTERNSHIP

This is to certify that **Keerthi A** whose USN is **1CR19CS079**, has completed their **Full Stack Web Development** Internship organised and handled by **Varcons Technologies Pvt. Ltd** from **12th March, 2023** to **17th April, 2023**.

The person to whom this certificate is addressed to has worked on a project titled **Template for Cafe Website- Leisure Square, Bengaluru**. This project was aimed at creating fully-fledged functional **web template(s)** for a client of ours. As part of the project, they designed functional web pages, used databases to collect, store, and sort data, by understanding the design briefs and client specifications that were provided in the project proposal.

During the course of the internship, they demonstrated good design skills with a self-motivated attitude to learning new things. Their performance exceeded expectations and was able to complete the project successfully on time.

ACKNOWLEDGEMENT

I take this opportunity to express my sincere gratitude and respect to **CMR Institute of Technology, Bengaluru** for providing me a platform to pursue my studies and carry out my technical seminar.

I have a great pleasure in expressing my deep sense of gratitude to **Dr. Sanjay Jain**, Principal, CMRIT, Bangalore, for his constant encouragement.

I would like to thank **Dr. Shreekanth M Prabhu**, Professor and Head, Department of Computer Science and Engineering, CMRIT, Bangalore, who has been a constant support and encouragement throughout the course of this seminar.

I consider it a privilege and honor to express my sincere gratitude to my guide, **Mr Anil D**, Assistant Professor, Department of Computer Science and Engineering, for the valuable guidance throughout the tenure of this seminar.

I also would like to thank all my colleagues and project leads who took time off their busy schedules and provided me with quality training and helped me in every step of the project that I was a part of.

Finally, I would like to thank my parents and friends for all their moral support they have given me during the completion of this work.
